

AEGIS CORONAVIRUS (COVID-19) ANNOUNCEMENT - IMPORTANT

Dear Valued Clients & Partners,

We would like to hereby inform you that the Vietnamese Government has issued Directive No. 16/CT-TTg on March 31st, 2020 by the Prime Minister implementing a complete national social distancing policy to go into effect at midnight April 1st, 2020 for a period of 15 days.

The CoronaVirus (Covid-19) pandemic continues to severely impact upon people and businesses around the world.

In this time of a global health crisis we are all facing, we understand that you may need our support and services more than ever. AEGIS and our teams in both Vietnam and Myanmar remain proactive in ensuring our continuity of full service to all our valued customers and partners are maintained via emails, web & tele-conferencing.

Our primary concern at this time is to ensure protection to all our teams, their families and our customers and partners, therefore, with effective from Wednesday, April 01st, 2020, we will upgrade our already in place work from home and social distancing policy to apply across our entire organisation in line with Government Directive No. 16/CT-TTg.

Thank you for understanding during this difficult time as we prioritise the safety and wellbeing of each one of us and the community at large in order to minimise the immense health risk potential associated with CoronaVirus (Covid-19).

We will be updating you as the situation develops, in the meantime once again please rest assured of our commitment to maintain our service to you during this time.

On behalf of AEGIS,

Au Quang Hien
