A - NOTICE TO THE PROPOSED INSURED

1. Disclosure of Relevant Facts

Your Duty of Disclosure
Before you enter into a contract of general insurance with an insurer, you have a duty to disclose to
the insurer every matter which you know, or could reasonably be expected to know, is relevant to
the insurer's decision whether to accept the risk of the insurance and, if so, on what terms.

You have the same duty to disclose those matters to us before you renew, extend, vary or
reinstate a contract of insurance.

Comment
The requirement of full and frank disclosure of anything which may be material to the risk for which
you seek cover (eg. claims, whether founded or unfounded), or to the magnitude of the risk, is of
the utmost importance with this type of insurance. It is better to err on the side of caution by
disclosing anything which might conceivably influence the insurer's consideration of your proposal.

2. Claims Made Policy

This proposal is for a "claims made" policy of insurance. This means that the policy covers you for
claims made against you and notified to the insurer during the period of cover. This policy does not
provide cover in relation to:

- events that occurred prior to the retroactive date of the policy (if such a date is specified);
- claims made after the expiry of the period of cover even though the event giving rise to the
  claim may have occurred during the period of cover;
- claims notified or arising out of facts or circumstances notified (or which ought reasonably to
  have been notified) under any previous policy;
- claims made, threatened or intimated against you prior to the commencement of the period of
  cover;
- facts or circumstances of which you first became aware prior to the period of cover, and which
  you knew or ought reasonably to have known had the potential to give rise to a claim under this
  policy;
- claims arising out of circumstances noted on the Proposal Form for the current period of cover
  or on any previous proposal form.

However, where you give notice in writing to the insurer of any facts that might give rise to a claim
against you as soon as reasonably practicable after you become aware of those facts but before
the expiry of the period of cover, the policy will, subject to the terms and conditions, cover you
notwithstanding that a claim is only made after the expiry of the period of cover.

You should familiarise yourself with our standard form of policy for this type of cover before
submitting this proposal.

3. Average Provision

The policy provides that if a payment in excess of the limit of indemnity available under the policy
has to be made to dispose of a claim, the insurer's liability for costs and expenses incurred with its
consent shall be such proportion thereof as the amount of indemnity available under this policy
beears to the amount paid to dispose of the claim.
Important Note:
- Please answer ALL questions fully. If there is insufficient space, please provide details on your letterhead.
- Where provided, tick (X) appropriate box to indicate answer.
- The Applicant will be referred to in this Proposal as "You" or "Your".
